

The Indian IVY League 2023

Technically, the term **Ivy League** has been associated with the American Collegiate Athletic Conference comprising **eight private research universities** in the Northeastern United States.

The term **Ivy League** is typically used beyond the Sports Context to refer to the eight schools as a group of elite colleges with connotations of **academic excellence, selectivity in admissions, and social elitism.**

Its members are **Brown University | Columbia University | Cornell University | Dartmouth College | Harvard University | The University of Pennsylvania | Princeton University | Yale University.**

In this 75th year of Indian Independence, ReTHINK INDIA has chosen to further expand the connotation of this very term to constitute an **Indian IVY League** of K12 School & Higher Education Institutions who have the **IDEALS**, the **VISION** and most importantly the **YOGIC SELF** to catapult India to an indomitable Global Power by **2047.**
